

TOEFL iBT EXAM REGISTRATION FORM

Terms & Conditions

- The Exam Preparation & Testing House L.L.C facilitates **TOEFL iBT** test registration strictly as an optional convenience for candidates. We expressly disclaim any liability or involvement regarding test administration, scoring, technical issues, or the distribution of results. Alternatively, candidates may choose to register directly via the official exam provider's portal while designating our facility as their testing location.
- It doesn't matter if you use our registration service or book the test yourself online—everyone gets the exact same treatment and experience on test day at our center.
- Candidates opting to use the TEPTH registration service will incur an administrative fee of **₹150.00**, which is applied in addition to the standard TOEFL iBT exam fee. Candidates in the UAE who register for the TOEFL iBT within seven days of their scheduled exam are subject to a US \$49 (approximately **₹190**) express registration surcharge, which is added to the standard testing fee.
- We are not responsible if we cannot run the test or fulfill our duties due to extreme situations entirely out of our hands. This includes major emergencies like natural disasters, wars, or unexpected power and technical blackouts.
- Please note that our obligations are strictly limited to the initial booking of your TOEFL iBT test, and candidates assume full responsibility for managing any subsequent modifications including rescheduling & cancellations. If ETS reschedules your exam ahead of time, they will notify you, and you can log into your account to pick a new test date.

I hereby acknowledge that I have read and understood the terms and conditions outlined above.

I hereby give permission to the center to log into my account to complete my registration.

Candidate Information:

First Preferred Test Date :

Second Preferred Test Date:

Full Name:

Contact Number:
